A LETTER FROM THE PRESIDENT

Greetings to our family within the beautiful realm of the Pikes Peak Empire and across the United States, Canada and Mexico. I hope all is well, and I wish that all of our travelling family members are safe and enjoying their summer excursions.

Reign 43 has been travelling up and down the I-25 Corridor spreading goodwill to as many people as they can and promoting Coronation XLIV.

In the wake of the resignation of Holden St. James as Emperor XLIII, the Board of Advisors was charged to examine how Reign XLIII was to play out for the rest of the year. The Board deliberated for several days. We looked at all the angles of the situation. We examined all the items in the UCPPE By-Laws involved with this decision, and there were many possibilities discussed while keeping the spirit of the By-Laws in the utmost regard.

The Board has decided that Empress XLIII Anka Shayne will finish her year without a replacement Emperor.

For the next four months we as a membership can continue to support Reign XLIII and look to Reign XLIV with the enthusiasm, we have always showed for the leadership of the UCPPE. The Prince and Princess Royal have pledged their unflappable support for Her Majesty, and we hope to see our members, friends and family attend the fabulously planned PR Ball 2019 as well as Coronation XLIV.

Thank you for your support for Reign XLIII, and I know we can work together as we have always done to make this Reign successfully bring awareness, love and care to our Southern Colorado community.

Congratulations to Emperor 46, Karl Wesley, and Empress 46, R.C. LaVera Michaels as the newly elected monarchs of our Mother Court of the Imperial Court of the Rocky Mountain Empire. Prince Royal 46, Jio, and Princess Royal 46, Ladycat LaVera De'Ore are hosting PR Picnic in Cheeseman Park on July 4th.

Empress R.C. attended our electric Black and White Ball with her princess LadyCat as well as some Regents from Denver. We enjoyed the heartfelt speech from Emperor Lamar Cooper about family and working together.

Congratulations to Emperor 27, Egypt Versace, and Empress 27, Lola La Bruja of our Daughter Court, the United Court of the Sandias, Inc. We hope to see good things this year as you move forward with your goals.

ANOTHER GREAT PARTNERSHIP

Empress 24, Lauren Ashley, along with Andrea Starz are hosting shows at the Gold Room in downtown Colorado Springs at the Mining Exchange Hotel. Working with Emperor 37 Carroll Hillebrand and Prince Royal 43 Nic Grzecka, more is coming from another great venue.

In Pueblo, some of our Regents and members are booking functions at the Clarion Hotel. Stay tuned for events planned as Pueblo gets more involved with the UCPPE. There are more changes coming to the town of Pueblo, and we will keep you updated.

MORE NEWS

The Board of Advisors received a letter from Empress 23, Natasha RYANNE McEntire, where she and her husband, Prince ROYAL 28, Paul Parsons expressed their apologies for the events that occurred so many years ago where they were suspended to walk for the UCPPE.

The both of them have been living in Texas, and serve the ICS, helping raise money and awareness.

After the Board reviewed her letter, there was a motion to approve the lifting of the suspension of the titles of Empress 23 and Prince ROYAL 28.

The matter has been officially settled. We look forward to see them this year at Coronation XLIV.

VOTING IN PUEBLO

Empress 34, Public Relations Chair of the Board of Advisors, has worked with the Board and Princess 14 & 17, Wanna Lee, to coordinate Voting for Emperor and Empress to occur in Pueblo this year. The goal is to include our family in Pueblo to be part of the election process and learn more about the UCPPE, strengthening our relationship with more of our realm. The Voting in Pueblo will happen Saturday, October 26th, and Colorado Springs will be Sunday, October 27th. Our Treasurer, Dan Alexander, has agreed to help protect the integrity of the votes as they span over two days.

We hope that this new way to include Pueblo and its surrounding community can help expand upon the goals and mission of the UCPPE.
